A nighttime photograph of a large, illuminated square, likely a public square in a European city. The square is paved with light-colored stone tiles and is surrounded by grand, multi-story buildings with classical architectural features, including arched windows and ornate facades. The buildings are brightly lit from within, and their facades are illuminated by warm, golden lights. In the foreground, several people are seated at outdoor tables under large, dark umbrellas, suggesting a social gathering or event. The sky is a deep blue, and the overall atmosphere is vibrant and lively. The word "RADIANT" is overlaid in large, white, sans-serif capital letters across the center of the image.
